Letter from Fr. Ryan

It is with great joy that I am here at St. Jude Church! Immediately upon my arrival from St. Rose of Lima Parish in Massapequa I was blessing your pets outside your beautiful church. And then greeting all of you at all the weekend Masses where all of you warmly welcomed me and made me feel part of the St. Jude family. I am grateful that Bishop Murphy asked me to be the Administrator here at St. Jude to give Fr. Greg some time to rest and get healthy. As you all know, Fr. Greg has been a true pastor for all of you in so many ways. Let us continue our prayers for him and do know he is grateful for your support.

I look forward to these first few weeks in getting to know each of you and to be there for all the parishioners at St. Jude. This is my new home, and I thank you for your support and to be a part of your wonderful, faith-filled family! I will be here for you and together we can continue to grow in the love of Jesus Christ, our Good Shepherd, who is leading all of us to His kingdom. Together we can do beautiful things!

In the upcoming weeks I hope to sit and meet with all the ministers and deacons so that they can tell me more about the wonderful things that are happening now and in the future here at St. Jude Church. Yes, I am well aware of the excitement and anticipation of the St. Jude Shrine Campaign. The overwhelming support that you have so generously given toward this Project speaks volumes of your love for the community here at St. Jude! It is important, I know, to get moving, but it is also important for all of us to be a part of it and work together in creating the beautiful Shrine of St. Jude.

With the success of raising the necessary funds in the Campaign (in such a short time is truly amazing and says so much about all of you and your love for the Church!) let us now begin the Project. I will keep you posted on where we are with every action taken. So, the next step which will be taking place in the next few weeks is the removal of asbestos from the old church and rectory. NY State law requires the removal of all asbestos (most buildings built before 1978 have asbestos) before a building or home can be demolished and taken down. And after this first phase we will move to the next step: carefully taking down the old church and rectory, and then getting the necessary permits to begin the construction of the Shrine of St. Jude.

Yes, this is exciting! And as for me, I am truly excited and so looking forward to being a part of the family here at St. Jude! Thank you for your warm and loving reception, and let us always give praise to Almighty God and glorify Him in all we do!

St. Jude, pray for us ~

Twenty-five years ago, a gunman took his life away but God gave it back to him. Rob was clinically dead, but God allowed him to live to tell his story. Rob's story is about Hope, Faith, Anger and Guilt. It's also about God, Heaven and Forgiveness... He offers his testimony to honor Jesus and as proof that God walks beside us each and every day. Join us for Rob's testimony of faith and forgiveness. The talk begins at 7:30 - doors open at 7:00 - come early - have something to eat - meet new friends - catch up with old friends! St. Vincent de Paul

We are healed each time we come to the Eucharist to give praise and thanks to God and in this act of worship we become more perfect members of the Body of Christ. We are healed each time we put others ahead of ourselves and in these simple acts we strengthen our faith. We are healed each time we pause to "give thanks to God" for the many blessings of each day because by giving thanks to God we acknowledge that God has acted in Christ. By giving thanks we acknowledge our own indebtedness—we are poor and everything we are and are becoming is because God has raised us up. "Join the Society of St. Vincent de Paul!"

CD of the Week

Can You Trust God? — Dr. Tim Gray

Since the fall of our first parents, humanity has been tempted to mistrust the love that God the Father has for us. Scripture scholar Dr. Tim Gray takes us on a journey that addresses the pervasive misconceptions that God is quick to anger, that the God of the Old and New Testaments are different, and that God doesn't have a merciful heart for us. You will see that you can trust our heavenly Father, who is truly one with his Son.
